Seems like the flow may be the only option.

Looks like Anna W's scheduler is putting this on the calendar for first week of June (2-weeks). Should we push for next week, or go with the flow?

Hi Mathew & Bella,

No worries.

Well as I was saving those documents I realized I had just seen the letter come from a Janita Aguirre from HQ so it appears they are already scheduling something, I am not sure if the time-line matches with what you had but I propose we sit on sending anything further up to HQ. I will forward you Janita's email as they are calling it Dam Certifications, which when they change the names throws me.

Thanks for your patience with me. I am still learning some of the protocols for when we link up with HQ.

I appreciate your help!

Hi Mat,
Thanks I will save the documents and create an email to the Scheduler for Anna Wildeman and cc both you and Bella. Hopefully it will be smooth after that 😊

Pam – I have a package ready to go (see three docs attached). I have received editorial comments from all the Directors and Chris Hladick and have incorporated their edits. Not sure of the protocol and who sends the “form” to HQ – esp. since the meeting was requested by the Principle Deputy AA. See attached.

Thank you in advance.

Mat,
Did you send the request to Headquarters as I don't believe I've seen anything come through R10-ORA on this.

In terms of Dan, he's hoping as soon as reasonably possible. I'd see if we can do it on May 27 or 28.

Hi Mat,

Is this a Headquarters briefing or a R10 briefing?

HQ briefings have their own process for scheduling as these come from the most Senior calendar. Both the *HQ Internal Meeting Request form* and the *R10 ORA Meeting, Briefing or Event Request form* are located at

SharePoint link

The process is outlined here and the documents ensure we have all the details we need for scheduling, this has been the process in Region 10 for several years.

Stay Healthy Everyone!

Good Afternoon Pam,

The Principle Deputy Assistant Administrator for Water (Anna Wildeman) has requested an advisory briefing on the Region's efforts related to the Lower Umatilla Basin Groundwater Management Area. Dan Opalski and the RA have connected about setting this up, and I'm coordinating for the team involved. Will you reach out to Anna Wildeman and David P Ross to set-up on behalf of the RA/DRA?

I will be sending a briefing document, through Dan Opalski likely on Monday.

The list of invited participants include:

For R10:

Chris Hladick, Michelle Pirzadeh, Dan Opalski, Lauris Davies, Tony Barber, Mat Martinson, Jeff Kenknight, Peter Contreras, Cara Steiner Riley, Clarke Thurmon.

HQ:

David P Ross, Anna Wildeman

Thank you,
Mat
